34 Pearson Airport / North York; formerly Brampton local

Before 2015,34 joined Brampton, Malton and Pearson with North York. It became Pearson-Finch before being absorbed into 94.

9	2012 - 2022	92
documented patterns	evidence years	listed stop occurrences

Illustrated pattern: 34 | 34 - Pearson Airport | Scheduled 2 Jan 2016 - 1 Apr 2016; feed captured 11 Jan 2016

A dated documentary atlas. Every pattern has its own numbered map and complete documented stop list. Reconstructed major-stop lists and full scheduled GTFS stop lists are identified separately.

Contents

Use the clickable entries or PDF bookmarks to jump to a date, branch or direction. Pattern counts include separate directions, stopping patterns and boarding restrictions.

Route history

A snapshot proves what was published at that date. It does not by itself establish when a route began or ended. Reused route numbers and changing branch suffixes remain separate dated records.

- **2012-09-01**

  The combined timetable identifies 34 as Brampton-Bramalea-Malton-Pearson-North York. [S1]

- **2015-09-05**

  34 became Pearson-Yorkdale-Finch, dropping Brampton, Malton and York Mills. [S2]

- **2019-01-05**

  The original 34 table confirms its Pearson-Finch configuration. [S3]

- **2023-04-08**

  34 and 94 merged into expanded 94, ending the separate 34 number. [S4] [S5]

Reading the maps

- Original GO feed: all scheduled stops are retained in their source order, including no-pickup and no-drop-off restrictions. The exact service dates are printed with the pattern.
- Historical reconstruction: the list generally contains published timing points or major stops. It is complete for that documented reconstruction, and may omit intermediate roadside stops.
- Solid lines use supplied feed shapes or an explicitly labelled corridor reconstruction. Dashed lines connect stop areas schematically. Number ranges mark close or co-located stops.
- Reference coordinates do not prove an old platform location. Stops without established coordinates remain in the ordered list; a stop-order diagram is used when a geographic map cannot be drawn.
- The initial 34 launch date is unknown.
- The 2015 change removed the Brampton section; it was not merely a name change.
- Use full original tables or GTFS for minor/direction-specific stops.
- GTFS dates identify captured feeds, not necessarily the first or last day of a route. Open a pattern to see its exact scheduled service dates. Temporary rail replacement and special-service patterns are included when present in the source.
- Manually reconstructed versions generally contain published timetable timing points / major stops. They must not be read as complete roadside stop inventories.

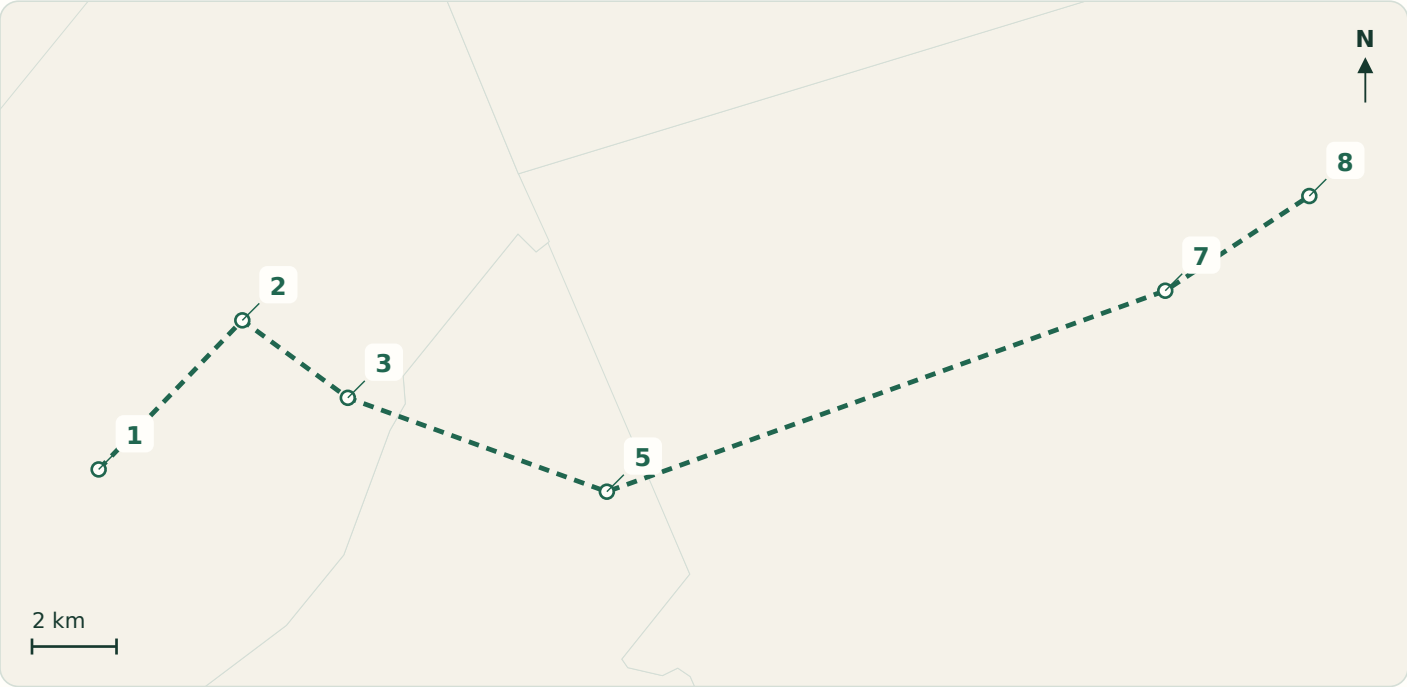

HISTORICAL RECONSTRUCTION | PATTERN 01 OF 9

34 | Brampton-Pearson-York Mills local

Documented: 2012-09-01 | Direction: Eastbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 8 stops

Sources: [S1]

Dashed line: schematic stop connections, not a street-by-street alignment. 2 stop location(s) remain unestablished; see the complete list. Stop areas do not establish exact historical platforms.

Selected published timepoints or named stops, not an exhaustive curb-stop list. Connectors are schematic and do not establish the roads taken. Selected main-route timepoints, not every short turn.

Ordered stops

1. Brampton GO
2. Bramalea Transit Terminal, Central Park Drive
3. Bramalea GO
4. Malton, Airport / Derry
   Location not established
5. Pearson Airport Terminal 1
6. Toronto, Dixon / Martin Grove
   Location not established
7. Yorkdale GO Bus Terminal
8. York Mills GO Bus Terminal
