46 Oakville / York University; later Oakville / Highway 407

The Oakville and Sheridan College arm of the Highway 407 network, linked to Square One, Bramalea and York University, then Highway 407 Bus Terminal. Most weekday trips became the western half of route 56 in 2021.

12	2006 - 2019	124
documented patterns	evidence years	listed stop occurrences

Illustrated pattern: 46 | 46 - Oakville GO | Scheduled 4 Jan 2016 - 1 Apr 2016; feed captured 11 Jan 2016

A dated documentary atlas. Every pattern has its own numbered map and complete documented stop list. Reconstructed major-stop lists and full scheduled GTFS stop lists are identified separately.

Contents

Use the clickable entries or PDF bookmarks to jump to a date, branch or direction. Pattern counts include separate directions, stopping patterns and boarding restrictions.

Route history

A snapshot proves what was published at that date. It does not by itself establish when a route began or ended. Reused route numbers and changing branch suffixes remain separate dated records.

- **2000-09**

  The original Highway 407 corridor links Oakville GO, Square One, Bramalea, York University and Unionville. York University's contemporary article documents the launch month. [S1]

- **by 2006-12-30**

  The Oakville-Sheridan-Trafalgar/407-Square One-Bramalea-York pattern is in the original Table 46. [S2]

- **by 2011-12-31**

  The route-number column explicitly identifies route 46, including the Keele/Snidercroft stop. [S3]

- **by 2018-09-01**

  Route 46 serves Erin Mills and Highway 407 Bus Terminal, then continues via Keele to York University. The terminal opening did not immediately remove campus service. [S4]

- **2019-01-05**

  York University service ends. The August 2019 original shows 46 ending at Highway 407 and 46A linking Sheridan College with Square One. [S5] [S6]

- **2021-02-13**

  Most weekday route 46 trips combine with route 52 to create through route 56. [S7]

Reading the maps

- Original GO feed: all scheduled stops are retained in their source order, including no-pickup and no-drop-off restrictions. The exact service dates are printed with the pattern.
- Historical reconstruction: the list generally contains published timing points or major stops. It is complete for that documented reconstruction, and may omit intermediate roadside stops.
- Solid lines use supplied feed shapes or an explicitly labelled corridor reconstruction. Dashed lines connect stop areas schematically. Number ranges mark close or co-located stops.

Evidence notes - continued

- Reference coordinates do not prove an old platform location. Stops without established coordinates remain in the ordered list; a stop-order diagram is used when a geographic map cannot be drawn.
- The 2021 announcement specifies most weekday trips, so it is not used to assert the exact final date of every residual route 46 trip. Route 46 is absent from the April 2022 eastern combined table.
- Launch of the corridor predates the public numbering system; early Table 46 must not be read as a single modern route.
- GTFS dates identify captured feeds, not necessarily the first or last day of a route. Open a pattern to see its exact scheduled service dates. Temporary rail replacement and special-service patterns are included when present in the source.
- Manually reconstructed versions generally contain published timetable timing points / major stops. They must not be read as complete roadside stop inventories.

HISTORICAL RECONSTRUCTION | PATTERN 01 OF 12

pre-46 | Oakville-York predecessor

Documented: 2006-12-30 | Direction: eastbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 6 stops

Sources: [S2]

Dashed line: schematic stop connections, not a street-by-street alignment. Stop areas do not establish exact historical platforms.

These are the timetable's ordered major timing points; intermediate roadside stops are not asserted.

Ordered stops

1. Oakville GO
2. Sheridan College - Trafalgar Campus
3. Trafalgar Rd. @ Hwy. 407 Park & Ride
4. Square One GO Bus Terminal
5. Bramalea GO
6. York University Bus Loop
