47 Hamilton / Highway 407 (formerly York University and Yorkdale)

The Hamilton and McMaster arm of the 407 network has had numerous express, short and weekend branches. Suffixes have been reused: the older 47D was a Bramalea-York short route, while the 2023 47D is a McMaster express; the older 47G extended to Yorkdale.

74	2006 - 2026	619
documented patterns	evidence years	listed stop occurrences

Illustrated pattern: 47 | 47 - Hamilton GO | Scheduled 22 Oct 2026 - 27 Nov 2026; feed captured 23 Oct 2026

A dated documentary atlas. Every pattern has its own numbered map and complete documented stop list. Reconstructed major-stop lists and full scheduled GTFS stop lists are identified separately.

Contents

Use the clickable entries or PDF bookmarks to jump to a date, branch or direction. Pattern counts include separate directions, stopping patterns and boarding restrictions.

Route history

A snapshot proves what was published at that date. It does not by itself establish when a route began or ended. Reused route numbers and changing branch suffixes remain separate dated records.

- **2002-04-29**

  The Highway 407 network expands to Hamilton and McMaster University, the predecessor of numbered route 47. [S1]

- **by 2006-12-30**

  The original Hamilton-McMaster-407 park-and-rides-Square One-Bramalea-York pattern is documented. [S2]

- **by 2011-12-31**

  The original has branches 47A/B/C/D/E/F/G/H. Weekend 47G runs beyond York University to Yorkdale; 47D is a short Bramalea-Keele-York service. [S3]

- **by 2014-04-05**

  47J provides Hamilton-Trafalgar/407-Square One service, bypassing McMaster and the western 407 park-and-rides. [S4]

- **2015-09-05**

  47J is absorbed into the extended route 40. [S5]

- **by 2018-09-01**

  The main route serves Erin Mills and Highway 407 terminal before Keele and York. Express McMaster variants remain. [S6]

- **2019-01-05**

  The York University terminus is replaced by Highway 407 Bus Terminal. [S7] [S8]

- **2021-02-13**

  Most weekday 47 trips combine with 51 into new through route 41; route 47 remains as a separate family. [S9]

Route history - continued

- **by 2022-06-25**

  Seasonal 47W extends via Canada's Wonderland to Major Mackenzie/Hwy. 400 Park & Ride. [S10]

- **by 2023-01-07**

  The timetable uses 47D for McMaster-Square One-Bramalea-Highway 407 express service and 47G for a McMaster-Erin Mills stopping short route. These differ from the 2011 suffix meanings. [S11]

- **2023-04-08**

  Weekday route 47 service is increased to roughly half-hourly in the spring revision. [S12]

- **2023-05-06**

  Seasonal Wonderland service uses the new Major Mackenzie West Terminal in 2023. [S13] [S12]

Reading the maps

- Original GO feed: all scheduled stops are retained in their source order, including no-pickup and no-drop-off restrictions. The exact service dates are printed with the pattern.
- Historical reconstruction: the list generally contains published timing points or major stops. It is complete for that documented reconstruction, and may omit intermediate roadside stops.
- Solid lines use supplied feed shapes or an explicitly labelled corridor reconstruction. Dashed lines connect stop areas schematically. Number ranges mark close or co-located stops.
- Reference coordinates do not prove an old platform location. Stops without established coordinates remain in the ordered list; a stop-order diagram is used when a geographic map cannot be drawn.
- Dates are snapshots for branch patterns unless a launch or withdrawal notice is cited.
- The exact introduction/retirement dates of every 47 suffix are not established; suffixes must always be paired with a date.
- This inventory describes ordered timing points, not all possible trip-level short turns; original GTFS patterns provide a more detailed view in available years.
- GTFS dates identify captured feeds, not necessarily the first or last day of a route. Open a pattern to see its exact scheduled service dates. Temporary rail replacement and special-service patterns are included when present in the source.

Evidence notes - continued

- Manually reconstructed versions generally contain published timetable timing points / major stops. They must not be read as complete roadside stop inventories.

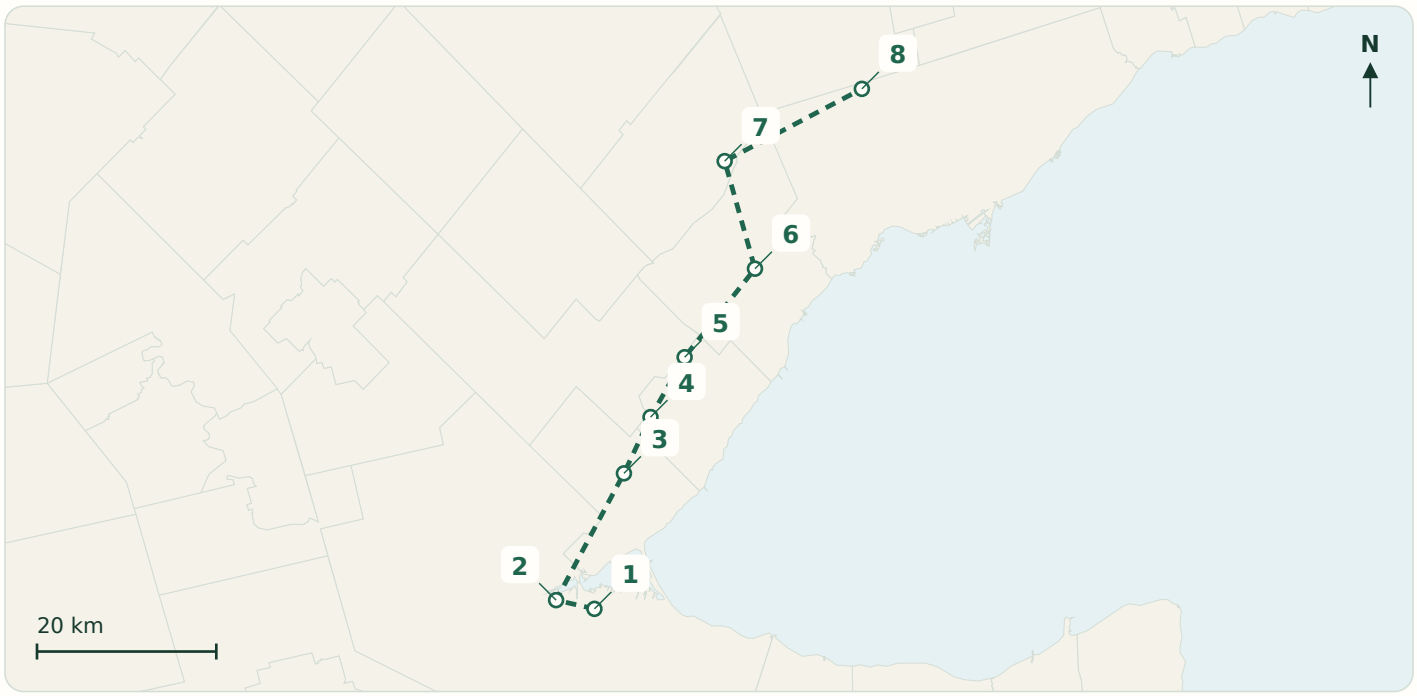

HISTORICAL RECONSTRUCTION | PATTERN 01 OF 74

pre-47 | Hamilton-York predecessor

Documented: 2006-12-30 | Direction: eastbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 8 stops

Sources: [S2]

Dashed line: schematic stop connections, not a street-by-street alignment. Stop areas do not establish exact historical platforms.

These are the timetable's ordered major timing points; intermediate roadside stops are not asserted.

Ordered stops

1. Hamilton GO Centre
2. McMaster University
3. Dundas St. @ Hwy. 407 Park & Ride
4. Bronte Rd. @ Hwy. 407 Park & Ride
5. Trafalgar Rd. @ Hwy. 407 Park & Ride
6. Square One GO Bus Terminal
