50 Unionville / Centennial College / University of Toronto Scarborough

A documented school-period GO route, distinct from its surrounding Table 52 corridor. The original explicitly prints route number 50, with three morning southbound and three afternoon northbound trips.

1	2008	3
documented patterns	evidence years	listed stop occurrences

Illustrated pattern: 50 | Unionville-Centennial-UTSC school service | Documented 2008-11-01

A dated documentary atlas. Every pattern has its own numbered map and complete documented stop list. Reconstructed major-stop lists and full scheduled GTFS stop lists are identified separately.

Contents

Use the clickable entries or PDF bookmarks to jump to a date, branch or direction. Pattern counts include separate directions, stopping patterns and boarding restrictions.

Route history

A snapshot proves what was published at that date. It does not by itself establish when a route began or ended. Reused route numbers and changing branch suffixes remain separate dated records.

- **by 2008-11-01**

  The original combined timetable identifies route 50 between Unionville GO, Centennial College Progress Court and UTSC; trips are excluded during the listed December 2008-January 2009 school holiday. [S1]

- **by 2011-12-31**

  Route 50 is absent from the later combined Highway 407 East timetable; this establishes an archive boundary, not an exact withdrawal date. [S2]

Reading the maps

- Original GO feed: all scheduled stops are retained in their source order, including no-pickup and no-drop-off restrictions. The exact service dates are printed with the pattern.
- Historical reconstruction: the list generally contains published timing points or major stops. It is complete for that documented reconstruction, and may omit intermediate roadside stops.
- Solid lines use supplied feed shapes or an explicitly labelled corridor reconstruction. Dashed lines connect stop areas schematically. Number ranges mark close or co-located stops.
- Reference coordinates do not prove an old platform location. Stops without established coordinates remain in the ordered list; a stop-order diagram is used when a geographic map cannot be drawn.
- The route's exact introduction and final operating dates have not been established.
- No full all-stop GTFS or original geographic route map has yet been recovered for 50; the pattern records its three published timing points.
- Manually reconstructed versions generally contain published timetable timing points / major stops. They must not be read as complete roadside stop inventories.

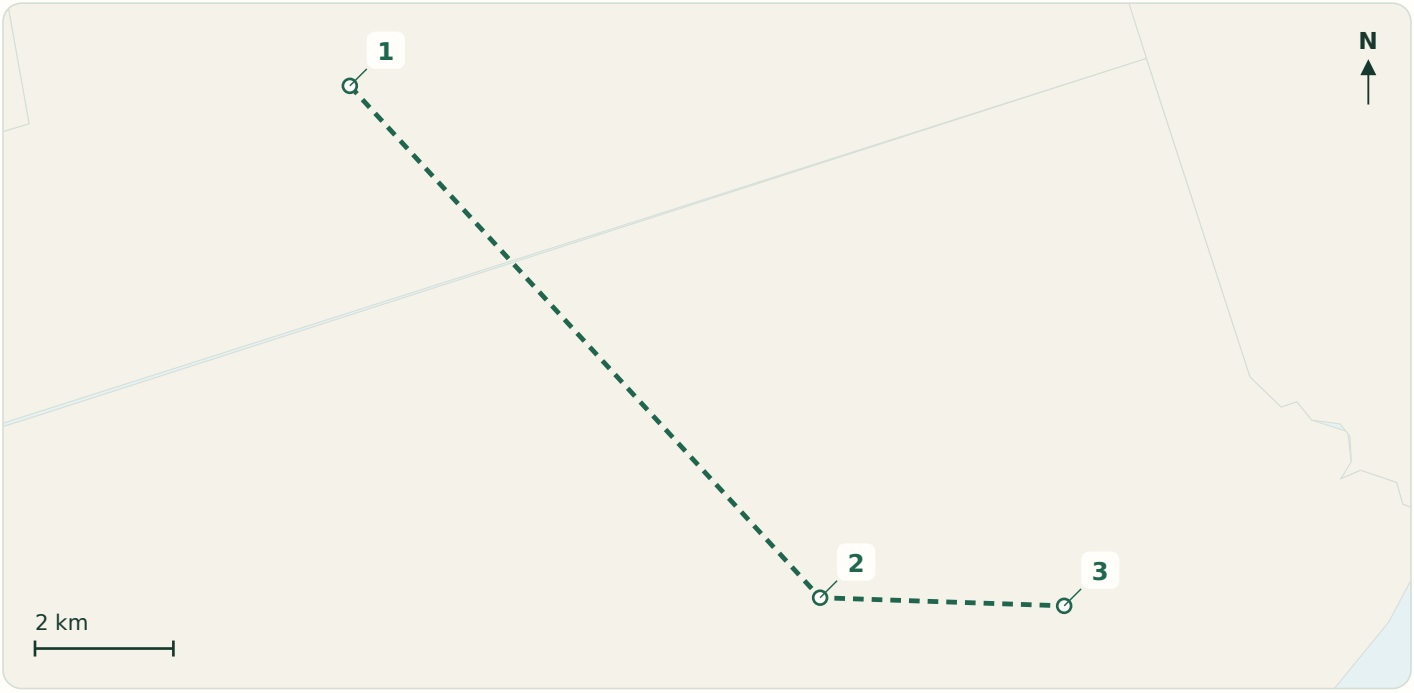

HISTORICAL RECONSTRUCTION | PATTERN 01 OF 1

50 | Unionville-Centennial-UTSC school service

Documented: 2008-11-01 | Direction: southbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 3 stops

Sources: [S1]

Dashed line: schematic stop connections, not a street-by-street alignment. Stop areas do not establish exact historical platforms.

Three AM southbound and three PM northbound trips are printed. This is an actual route-number entry, not a timetable-number inference. These are the timetable's ordered major timing points; intermediate roadside stops are not asserted.

Ordered stops

1. Unionville GO
2. Centennial College - Progress Ct. Bus Stop
3. University of Toronto Scarborough
