56 Oshawa / Oakville

A long through route created in 2021 by joining the Oakville and Oshawa arms of the Highway 407 network. It inherited both the western college/park-and-ride stops and the eastern campus/downtown corridor.

15	2022 - 2026	378
documented patterns	evidence years	listed stop occurrences

Illustrated pattern: 56 | 56 - Oakville GO | Scheduled 22 Oct 2026 - 27 Nov 2026; feed captured 23 Oct 2026

A dated documentary atlas. Every pattern has its own numbered map and complete documented stop list. Reconstructed major-stop lists and full scheduled GTFS stop lists are identified separately.

Contents

Use the clickable entries or PDF bookmarks to jump to a date, branch or direction. Pattern counts include separate directions, stopping patterns and boarding restrictions.

Route history

A snapshot proves what was published at that date. It does not by itself establish when a route began or ended. Reused route numbers and changing branch suffixes remain separate dated records.

- **2021-02-13**

  Metrolinx creates route 56 by combining most weekday trips on routes 46 and 52, with 38 weekday through trips announced. [S1]

- **by 2022-04-02**

  The original labels the principal route 56A and includes the Baldwin/407 detour together with Lake Ridge and Winchester/Anderson. It links Oakville GO and Oshawa GO through Sheridan, Square One, Bramalea, Highway 407 and Richmond Hill Centre. [S2]

- **2022-10-01**

  Cornell Bus Terminal is added. The January 2023 original confirms it. [S3] [S4]

- **2023-04-08**

  The Durham part moves onto Highway 407, replacing the Lake Ridge/Winchester street section while retaining Brock/407, Baldwin/407, Ontario Tech/Durham College and Oshawa stops. [S5] [S6]

Reading the maps

- Original GO feed: all scheduled stops are retained in their source order, including no-pickup and no-drop-off restrictions. The exact service dates are printed with the pattern.
- Historical reconstruction: the list generally contains published timing points or major stops. It is complete for that documented reconstruction, and may omit intermediate roadside stops.
- Solid lines use supplied feed shapes or an explicitly labelled corridor reconstruction. Dashed lines connect stop areas schematically. Number ranges mark close or co-located stops.
- Reference coordinates do not prove an old platform location. Stops without established coordinates remain in the ordered list; a stop-order diagram is used when a geographic map cannot be drawn.
- The February 2021 announcement establishes the through-route launch but does not enumerate every trip-level branch.
- Historical and current GTFS patterns should be used for the full intermediate stop lists and any later short or express variants.

Evidence notes - continued

- GTFS dates identify captured feeds, not necessarily the first or last day of a route. Open a pattern to see its exact scheduled service dates. Temporary rail replacement and special-service patterns are included when present in the source.
- Manually reconstructed versions generally contain published timetable timing points / major stops. They must not be read as complete roadside stop inventories.

HISTORICAL RECONSTRUCTION | PATTERN 05 OF 15

56A | Oakville-Oshawa via Winchester and Baldwin

Documented: 2022-04-02 | Direction: eastbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 16 stops

Sources: [S2]

Dashed line: schematic stop connections, not a street-by-street alignment. Stop areas do not establish exact historical platforms.

Eastbound downtown timing point is Centre/Athol; westbound uses Simcoe/Athol. Lake Ridge is on the Winchester/Highway 7 corridor. Do not substitute the post-April-2023 highway geometry. These are the timetable's ordered major timing points; intermediate roadside stops are not asserted.

Ordered stops

1. Oakville GO
2. Sheridan College - Trafalgar Campus

HISTORICAL RECONSTRUCTION | PATTERN 06 OF 15

56 | Oakville-Oshawa via Cornell and Highway 407

Documented: 2023-04-08 | Direction: eastbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 15 stops

Sources: [S6]

Dashed line: schematic stop connections, not a street-by-street alignment. Stop areas do not establish exact historical platforms.

Highway 407 replaces the old Durham street corridor; there is no Lake Ridge or Winchester/Anderson timing point in this pattern. These are the timetable's ordered major timing points; intermediate roadside stops are not asserted.

Ordered stops

1. Oakville GO
2. Sheridan College - Trafalgar Campus
3. Trafalgar Rd. @ Hwy. 407 Park & Ride
