64 Newmarket-York University

Direct weekday bus from Newmarket to York University's Keele campus through Aurora, Oak Ridges, King City and Maple. The shared timetable's rail comparison columns are not bus stops.

1	2008	7
documented patterns	evidence years	listed stop occurrences

Illustrated pattern: 64 | Newmarket-King City-York University | Documented 2008-08-30

A dated documentary atlas. Every pattern has its own numbered map and complete documented stop list. Reconstructed major-stop lists and full scheduled GTFS stop lists are identified separately.

Contents

Use the clickable entries or PDF bookmarks to jump to a date, branch or direction. Pattern counts include separate directions, stopping patterns and boarding restrictions.

Route history

A snapshot proves what was published at that date. It does not by itself establish when a route began or ended. Reused route numbers and changing branch suffixes remain separate dated records.

- **2008-08-30**

  The original timetable documents weekday Newmarket-York University service through King City and Rutherford. [S1]

- **by 2010-04-26**

  The contemporary account quoted by York University reports that route 64 had permanently stopped operating. [S2]

Reading the maps

- Original GO feed: all scheduled stops are retained in their source order, including no-pickup and no-drop-off restrictions. The exact service dates are printed with the pattern.
- Historical reconstruction: the list generally contains published timing points or major stops. It is complete for that documented reconstruction, and may omit intermediate roadside stops.
- Solid lines use supplied feed shapes or an explicitly labelled corridor reconstruction. Dashed lines connect stop areas schematically. Number ranges mark close or co-located stops.
- Reference coordinates do not prove an old platform location. Stops without established coordinates remain in the ordered list; a stop-order diagram is used when a geographic map cannot be drawn.
- The exact final operating day and original launch date have not been confirmed from an operator timetable or notice.
- These are documented dated snapshots. Changes between snapshots, temporary diversions and every historical local stop have not all been recovered.
- Manually reconstructed versions generally contain published timetable timing points / major stops. They must not be read as complete roadside stop inventories.

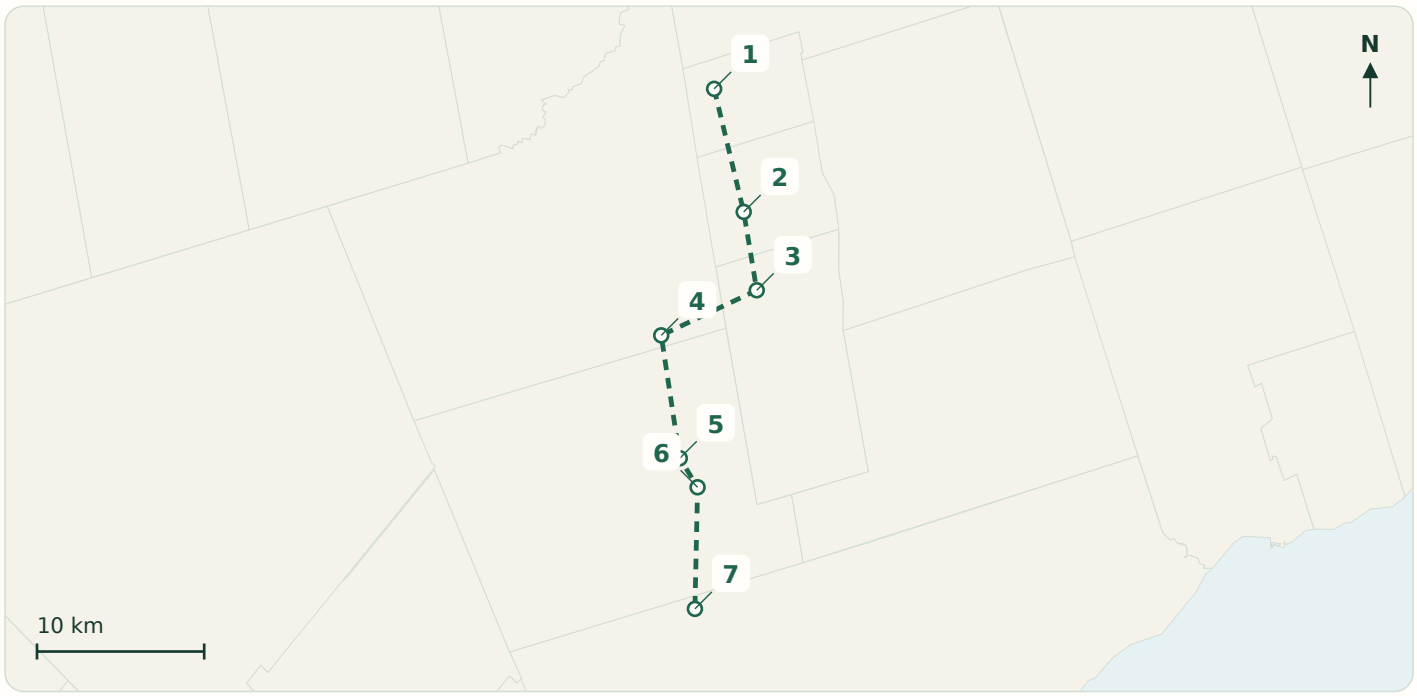

HISTORICAL RECONSTRUCTION | PATTERN 01 OF 1

64 | Newmarket-King City-York University

Documented: 2008-08-30 | Direction: southbound

DOCUMENTED MAJOR STOPS / TIMING POINTS 7 stops

Sources: [S1]

Dashed line: schematic stop connections, not a street-by-street alignment. Stop areas do not establish exact historical platforms.

The actual bus row bypasses Newmarket GO, Aurora GO, Maple GO and York University GO rail-station columns. The York University destination is the campus, not the former rail station.

Ordered stops

1. Newmarket Bus Terminal
2. Yonge St / Murray Dr - Aurora
3. Yonge St / King Rd - Oak Ridges
4. King City GO - Keele St / Station Rd
5. Keele St / Major Mackenzie Dr - Maple
6. Rutherford GO
7. York University - Keele campus bus loop
